## WINE & WHISKY TASTING

### **Vigna Casalj Alcamo Classico DOC, Tenuta Rapitalà**

A complex wine with greengage, avocado and honeydew melon. Mineral notes on the palate with petrichor and a crisp acidity. Similar to an Etna wine perhaps, which given the elevation is not surprising. Complex, fresh and characterful. Cataratto - Sicily, Italy - 12.5% - **£16.99**

### **Pinot Noir, Marea**

Fruity, floral and spicy notes of cherries, currants, cedar, white pepper, violet and graphite. Sweet toasted notes from subtle aging in French oak barrels. The palate is juicy with balanced acidity, elegant minerality, and round, ripe tannins. Pinot Noir - Leyda Valley, Chile - 14% - **£16.99**

### **Côtes-du-Rhône Réserve 'Montjau' Bio**

Concentrated and rich, yet balanced. Chocolate and spices on the nose, powerful and full bodied in the mouth, with notes of black cherry and red berries. An ample and well-structured wine, finely polished tannins and a smooth mouth feel. Carignan, Grenache, Mourvèdre, Syrah - Rhône, France - 14.5% - **£13.99**

### **Cockburns of Leith Founder's Reserve Blended Scotch Whisky**

High strength, non-chill filtered, 88% malt whisky. Ageing in a blend of casks: Châteauneuf-du-Pape wine barrels, first fill and refill bourbon, and sherry casks. Sweet aromas and a robust palate with notes of toffee, hazelnut and chocolate. A complex finish with pipe tobacco and dried fruit. Lowland - Scotland - 46% - **£36.99**

### **Embra, Holyrood Distillery, Single Malt Scotch Whisky**

Lightly peated, triple cask maturation with first fill bourbon, peated Islay quarter cask and American new oak. Lemon zest, horse chestnut pith, peppermint and smoke on the nose. Wafer biscuits, chocolate mousse, earthy peat smoke. Well rounded and clean finish with notes of stewed pears. Lowland - Scotland - 43.6% - **£66.99**
